

THE ROAD TO GUITAR ENLIGHTENMENT

Become a Guitar Black Belt!

RULES:

To move to a higher belt students must earn 25 points and pass a belt test. Points can be earned by practicing, passing a song, playing GuitarGames.net a certain amount of time, or getting a high score on GuitarGames.net (as decided by the instructor). After completing 25 points students will be tested in a manner decided by the instructor. It might be playing a certain song, having all key signatures memorized, etc. The space below will be used to designate the students specific requirements:
